Petitioners Committee
c/o Ms. Louise Horner

Dear Ms. Horner:

In accordance with the Lee's Summit City Charter, the petition submitted by the Petitioners Committee for Recall of District 4 Councilmember Chris Moreno was reviewed by the Jackson County Board of Election Commissioners to determine if the signers of the petition were registered, qualified voters in District 4.

Section 10.3. Petitions. of the Charter requires a recall petition to be signed by 30% of the total number of votes cast for the office in the election at which that office was elected, which was determined to be 524 valid signatures. In a report submitted by the Jackson County Board of Election Commissioners on December 9, 2016, the petition was found to contain a total of 675 signatures, with verification of signatures from at least 621 registered voters in District 4.

Therefore, the petition for recall of District 4 Councilmember Chris Moreno, containing signatures from 621 registered voters in District 4, is hereby certified to be sufficient. This issue will be presented to the City Council at the next available meeting on December 15, 2016.

Yours Truly,

Denise R. Chisum, MMC/MPCC
City Clerk
